

Message from the Chief Executive Officer, David Nelsen

Dear ACERA Members,

I'M PLEASED TO SHARE with you a snapshot of your pension fund's performance this past year and over time.

In 2023, our investments performed exceptionally well, with a 12.7% gross return. This strong performance increased our net position by \$980 million, bringing it to \$11.3 billion as of December 31, 2023.

At ACERA, ensuring your retirement security is our top priority. Even after outstanding years like 2023, we stay focused on long-term investing. Our portfolio is built to generate returns over decades, navigating the ups and downs of the market. For example, over the past 15 years, we've averaged a 9.7% annual return, even with significant market downturns during that period. You can learn more about our investments at acera.org/investments.

Since March 2023, our office has been open five days a week. As health officials believe Covid-19 will be with us indefinitely, we encourage you to connect with us virtually for your safety and convenience. Our virtual call center (acera.org/contact), Zoom ready-to-retire counseling appointments (acera.org/counseling), and Zoom seminars (acera.org/seminars) are all available to you. We also hold hybrid in-person/virtual Board and Committee meetings, with virtual attendance options via Zoom for members and the public (acera.org/meetings).

In 2023, we accomplished a lot! We adopted a new Advance Death Benefit Election that all active members should consider, we revamped our new member education process, and we're in the home stretch of our pension administration software replacement, a project five years in the making, which is set to launch later this year. Check out the accomplishments section on the next page for more details.

As we look forward to the coming year, we remain committed to providing you with retirement security. Thank you for your continued trust in ACERA.

Warm regards,

David Nelsen,
Chief Executive Officer

Serving You

OUR MISSION AT ACERA is to provide members and employers with flexible, cost-effective, participant-oriented benefits through prudent investment management and superior member services. We've been doing this since our establishment in 1947 under the County Employees Retirement Law of 1937 (CERL). ACERA is one of the few county retirement organizations that has adopted Article 5.5 of the CERL. This means that our members also receive non-guaranteed benefits such as healthcare.

Our dedicated and diverse team at ACERA uses its expertise to provide these benefits to you, our members. On the following pages you can see some of the ways we've improved our service in 2023.

Strengthening ACERA

Accomplishment Highlights

2023

ENHANCED ACTIVE DEATH BENEFITS

Adopted an Advance Death Benefit Election allowing member to potentially provide greater benefits for their beneficiaries if the member dies before retirement. All active members should consider making the election: acera.org/adv

REDESIGNED NEW MEMBER ORIENTATION AND ONBOARDING PROCESS

Redesigned process to enhance new employees' understanding of benefits with a new orientation video, new educational materials, and streamlined onboarding.

PENSION SOFTWARE REPLACEMENT

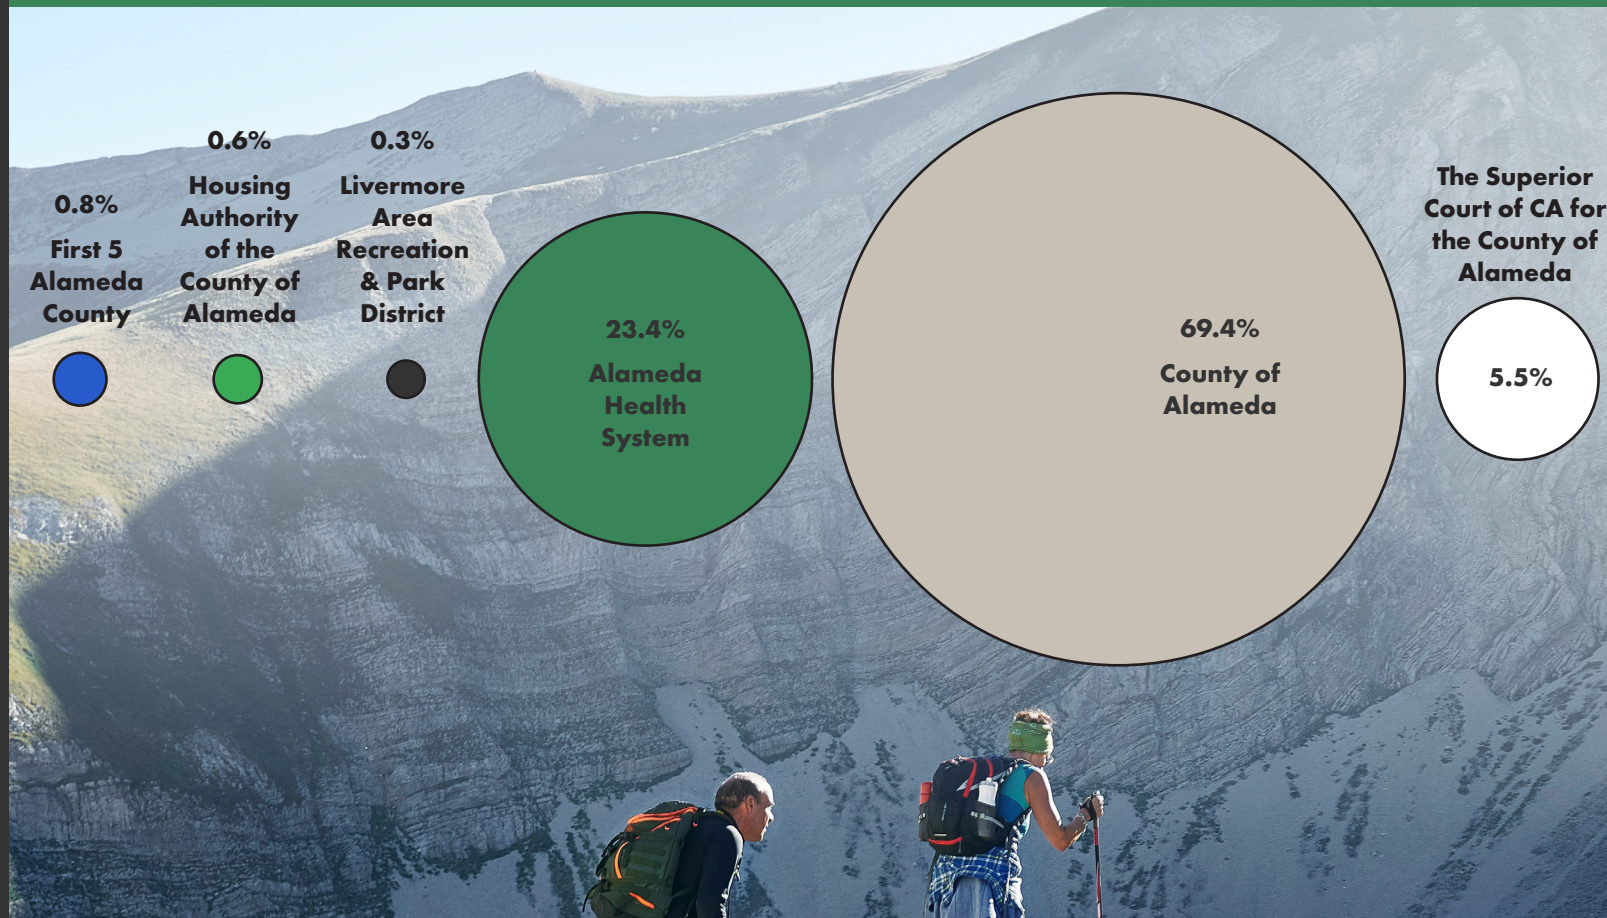

Nearing completion of our 5-year pension database software replacement project, completing all major workstreams, automations, configurations, and staff training resources. Replacement will go live October 2024 and will deliver huge gains in efficiency through automation. Members will enjoy a redesigned online portal with additional tools.

ACERA ALSO... Increased the dental PPO annual max. from \$1,300 to \$1,900; adopted BoardEffect board-management software; hired a new Board election services vendor; hired NEPC as our new general investment consultant; adopted a new real estate investment plan; initiated an emerging markets equity manager search; adopted \$336 million in new commitments to 8 privately placed funds; conducted a benefits consultant RFP; and continued Silver&Fit free gym memberships for Kaiser Permanente Senior Advantage (Medicare) members for 2024: acera.org/silverandfit

Pension Plan Funding Status

ACERA hires an independent actuary to conduct annual valuations of pension assets and expenses. The actuarial values are compared to determine the annual contribution rates that ACERA's members and employers are required to pay to meet pension obligations. You may notice that the actuarial value of assets and the net position differ; this is because gains and losses are mathematically "smoothed" over a 5-year period. This minimizes the effect of market volatility on contribution rates. Participating employers contributed 100% of the annual required contributions to the pension plan, which include additional contributions so ACERA can re-achieve 100% funding over time.

ACERA Financial Highlights

The funding sources that finance the retirement benefits are employee contributions, employer contributions, and investment income. ACERA's assets are primarily used for the payment of benefits to members and their beneficiaries, the refund of contributions to terminated employees, and the cost of administering the retirement system.

Non-Guaranteed Benefits and the Supplemental Retiree Benefits Reserve (SRBR)

NON-GUARANTEED BENEFITS CURRENTLY OFFERED

- Monthly Medical Allowance (MMA)
- Dental Coverage Subsidy
- Vision Coverage Subsidy
- Medicare Part B Reimbursement Plan
- Supplemental COLA
- Implicit Subsidy (Paid to County)

ACERA's non-guaranteed (non-vested) benefits are subject to available funds in ACERA's Supplemental Retiree Benefits Reserve (SRBR). The SRBR receives regular interest earnings and half of investment earnings above the assumed rate of return. Each year, our actuary projects how many years the SRBR will last at current benefit levels. ACERA aims to keep the SRBR above a projected 15-year sustainability level. The Board of Retirement may change or end non-guaranteed benefits to meet this goal. Below is the sustainability projection made for each of the last 13 years.
